HOTEL ICE DISPENSER

MODEL: MIDX200

Shown with Maxx Ice modular ice machine (sold separately)

The Maxx Ice Hotel Ice Dispenser delivers a high-capacity storage and easy to use ice dispenser solution. The MIDX200 will fit most commercial 30" modular ice machines and the full line of Maxx Ice 30" modular ice machines. The dispenser features a simple push button operation and a lift wheel agitation/ dispensing system to prevent ice clumping.

FEATURES AND CONSTRUCTION

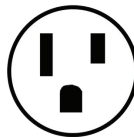

- Regular timed agitator/dispensing system prevents ice clumping
- Easy push button operation dispenses all types of ice
- Exterior is constructed of stainless steel and black trim
- Four 6" legs for easy cleaning
- Dispensing area accommodates most hotel ice buckets
- Urethane foam insulated cabinet
- Large drain pan to collect overflow

ICE BIN STORAGE CAPACITY

MIDX200 190 lbs (86 kg)

ELECTRIC

115V / 60Hz / 1Ph
(230V / 50-60Hz / 1Ph is available as an option)
